Subject: Proposal GEI-1250 for GFY 1989 Efforts

We are pleased to submit this proposal GEI-1250, for System Engineering and Support Services Activities. This proposal covers the period 21 November 88 to 20 November 1989 and provides for continuation of our efforts under Contract No. "2421".

This proposal consists of a Technical Section and Cost Section (with SF1411). An original plus three copies are provided. We assume the same terms and conditions applicable to the GFY 87 contract would be applicable to this additional work. We will update available actual costs data at negotiations.

We look forward to this opportunity to be of continued service. Please refer any questions regarding this proposal to the undersigned at
